About College:

Government Arts and Commerce College, Sami is a government college. It was established in the year 2009. The institute was established to educate the down pressed communities in such a remote area. The main purpose of our institute is to promote the students for social, economic, educational and cultural progress. Our college is situated on Mahesana-Radhanpur highway approach road, Sami beside GEB (UGVCL), in Patan district.

The full time Government college teachers are appointed by the Government of Gujarat under the Higher Education commissioner on the basis of recommendation by Gujarat Public Service Commission (GPSC), Gujarat, following the eligibility criteria framed by the University Grant Commission (UGC). The college is totally under the administrative control of the Higher Education Department that frames all the policies and modalities regarding the functioning of the college. The District Magistrate acts as the president of the Governing Body.

Vision of the college:

To provide education and enlightenment in the younger generation and to mould them intellectually competent, morally upright, socially committed and economically empowered for present and future.

Mission of the college:

- To increase female participation in the field of higher education as a part of the legacy of this region.
- To make professional and higher education accessible to the weaker section of the society.
- To develop the knowledge of Arts and Commerce subjects on the course of modern relevance.
